Please join us Saturday, November 20th for an interactive, multi-sensory, creative retreat focused on the WONDER OF ADVENT! Together with Lilly Lewin and Christine Sine we will prepare our hearts for the WONDER of the Advent and Christmas Season. This retreat will be LIVE via zoom, but if you prefer, you can sign up and then download the recording after the live session to participate at your convenience! Come with a creative heart, be inspired, have fun, and reconnect with the WONDER of the season.

*"No season of the year is more filled with wonder than that of Advent and Christmas. The story turns our understanding of the world upside down. From the stunning revelation that our creator God plans to be born into history as the son of an unwed peasant, until Jesus arrives in the tiny town of Bethlehem and is surrounded by the lowly shepherds, we are inspired.*

*Yet we live in an awe deprived world and are so familiar with the story that its wonder and glory often elude us" Christine Sine*

We are offering this resource for \$39.99, with a discount rate of \$29.99 for economic hardship or students, and a scholarship gift rate of \$49.99. To participate, please sign up here:
